

List of species to infrom seed mixes on Scilly

Annual Meadow-grass	<i>Poa annua</i>	Native on Scilly	Suitable for grassland mix		Pignut	<i>Conopodium majus</i>	Native on Scilly	Suitable for grassland mix	Mainly St Martin's
Annual Pearlwort	<i>Sagina apetala</i>	Native on Scilly	Suitable for arable mix		Procumbent Pearlwort	<i>Sagina procumbens</i>	Native on Scilly	Very tiny, unlikely to plant	
Bell Heather	<i>Erica cinerea</i>	Native on Scilly	Heathland		Red Clover	<i>Trifolium pratense</i>	Native on Scilly	Suitable for grassland mix	
Bird's-foot	<i>Ornithopus perpusillus</i>	Native on Scilly	Suitable for grassland mix		Red Fescue	<i>Festuca rubra</i>	Native on Scilly	Suitable for grassland mix	
Bird's-foot Trefoil	<i>Lotus corniculatus</i>	Native on Scilly	Suitable for grassland mix		Ribwort Plantain	<i>Plantago lanceolata</i>	Native on Scilly	Suitable for grassland mix	
Biting Stonecrop	<i>Sedum acre</i>	Native on Scilly	Suitable for grassland mix		Rough Meadow-grass	<i>Poa trivialis</i>	Native on Scilly	Suitable for grassland mix	
Buck's-horn Plantain	<i>Plantago coronopus</i>	Native on Scilly	Suitable for grassland mix		Sand Sedge	<i>Carex arenaria</i>	Native on Scilly	Suitable for grassland mix	
Bulbous Buttercup	<i>Ranunculus bulbosus</i>	Native on Scilly	Suitable for grassland mix		Sand Spurrey	<i>Spergularia rubra</i>	Native on Scilly	Suitable for arable mix	A sedge, yet common in Scilly grassland
Camomile	<i>Chamemelum nobile</i>	Native on Scilly	Unlikley to be in a seed mix	Donor sites on Scilly	Selfheal	<i>Prunella vulgaris</i>	Native on Scilly	Suitable for grassland mix	
Cat's-ear	<i>Hypochaeris radicata</i>	Native on Scilly	Suitable for grassland mix		Sheep's Fescue	<i>Festuca ovina</i>	Native on Scilly	Suitable for grassland mix	
Chickweed	<i>Stellaria media</i>	Native on Scilly	Suitable for arable mix		Sheep's Sorrel	<i>Rumex acetosella</i>	Native on Scilly	Suitable for grassland mix	Rare in Scilly
Cock's-foot	<i>Dactylis glomerata</i>	Native on Scilly	Suitable for grassland mix		Smooth Hawk's-beard	<i>Crepis capillaris</i>	Native on Scilly	Suitable for grassland mix	
Common Bent	<i>Agrostis capillaris</i>	Native on Scilly	Suitable for grassland mix		Smooth Meadow-grass	<i>Poa pratensis</i>	Native on Scilly	Suitable for grassland mix	
Common Centaury	<i>Centaureum erythraea</i>	Native on Scilly	Suitable for grassland mix		Squirreltail grass	<i>Vulpia Bromoides</i>	Native on Scilly	Suitable for grassland mix	
Common Knapweed	<i>Centaurea nigra</i>	Native on Scilly	Suitable for grassland mix		Soft-brome	<i>Bromus hordeaceus</i>	Native on Scilly	Suitable for grassland mix	
Common Mouse-ear	<i>Cerastium fontanum</i>	Native on Scilly	Suitable for grassland mix		Sweet Vernal-grass	<i>Anthoxanthum odoratum</i>	Native on Scilly	Suitable for grassland mix	
Common Nettle	<i>Urtica dioica</i>	Native on Scilly	Very important to insects		Thale Cress	<i>Arabidopsis thaliana</i>	Native on Scilly	Suitable for arable mix	
Common Ragwort	<i>Senecio jacobaea</i>	Native on Scilly	Very important to insects		Tornentil	<i>Potentilla erecta</i>	Native on Scilly	Suitable for grassland mix	
Common Sorrel	<i>Rumex acetosa</i>	Native on Scilly	Suitable for grassland mix		Tufted Vetch	<i>Vicia cracca</i>	Native on Scilly	Suitable for grassland mix	
Common Stork's-bill	<i>Erodium cicutarium</i>	Native on Scilly	Arable or Grassland mix	Mainly coastal	Velvet Bent	<i>Agrostis canina</i>	Native on Scilly	Suitable for grassland mix	
Common Vetch	<i>Vicia sativa</i>	Native on Scilly	Arable or Grassland mix		Wall Speedwell	<i>Veronica arvensis</i>	Native on Scilly	Suitable for arable mix	
Creeping Bent	<i>Agrostis stolonifera</i>	Native on Scilly	Suitable for grassland mix		Western Gorse	<i>Ulex gallii</i>	Native on Scilly	Heathland	Not common in Scilly
Creeping Buttercup	<i>Ranunculus repens</i>	Native on Scilly	Suitable for grassland mix		Wild carrot	<i>Daucus carota</i>	Native on Scilly	Suitable for grassland mix	Sea Carrot sub species in Scilly
Creeping Cinquefoil	<i>Potentilla reptans</i>	Native on Scilly	Suitable for grassland mix		White Clover	<i>Trifolium repens</i>	Native on Scilly	Suitable for grassland mix	
Creeping Thistle	<i>Cirsium arvense</i>	Native on Scilly	Suitable for grassland mix		Wood Sage	<i>Teucrium scorodonia</i>	Native on Scilly	Suitable for grassland mix	
Crested Dog's-tail	<i>Cynosurus cristatus</i>	Native on Scilly	Suitable for grassland mix		Yarrow	<i>Achillea millefolium</i>	Native on Scilly	Suitable for grassland mix	
Cuckoo Flower	<i>Cardamine pratensis</i>	Native on Scilly	Suitable for grassland mix	On Scilly prefers wet	Yellow Bartsia	<i>Parentucellia viscosa</i>	Native on Scilly	Suitable for grassland mix	
Daisy	<i>Bellis perennis</i>	Native on Scilly	Suitable for grassland mix		Yorkshire-fog	<i>Holcus lanatus</i>	Native on Scilly	Suitable for grassland mix	
Dandelion	<i>Taraxacum officinale</i>	Native on Scilly	Suitable for grassland mix		Not recommended to be planted on Scilly due to rarity				
Dove's-foot Cranesbill	<i>Geranium molle</i>	Native on Scilly	Suitable for grassland mix		Meadow Buttercup	<i>Ranunculus acris</i>	Common species in Scilly are Bulbous and Creeping buttercup		
Early Forget-me-not	<i>Myosotis ramosissima</i>	Native on Scilly	Suitable for grassland mix		Thyme-leaved Sandwort	<i>Arenaria serpyllifolia</i>	Only found on Bryher, Rushy Bay		
Early Hair-grass	<i>Aira praecox</i>	Native on Scilly	Suitable for grassland mix		Rosebay Willowherb	<i>Epilobium angustifolium</i>	Two casual records		
English Stonecrop	<i>Sedum anglicum</i>	Native on Scilly	Suitable for grassland mix		Betony	<i>Stachys Betonica officinalis</i>	Used to be on Great Ganilly		
False Oat-grass	<i>Arrhenatherum elatius</i>	Native on Scilly	Suitable for grassland mix		Not recommended for restoration as probably extinct				
Fiddle dock	<i>Rumex pulcher</i>	Native on Scilly	Suitable for grassland mix		Meadow Vetchling	<i>Lathyrus pratensis</i>	Always rare		
Field Wood-rush	<i>Luzula campestris</i>	Native on Scilly	Suitable for grassland mix		Meadowsweet	<i>Filipendula ulmaria</i>	One record St Mary's		
Germander Speedwell	<i>Veronica chamaedrys</i>	Native on Scilly	Suitable for grassland mix		Adder's-tongue	<i>Ophioglossum vulgatum</i>	Formerly on St Agnes		
Greater Birdsfoot Trefoil	<i>Lotus subbiflorus</i>	Native on Scilly	Suitable for grassland mix	Grows in drier places on Scilly	Field Pansy	<i>Viola tricolor</i>	Possibly misrecorded		
Green Field-speedwell	<i>Veronica agrestis</i>	Native on Scilly	Suitable for arable mix		Wild Mignonette	<i>Reseda lutea</i>	Formerly on Gugh, probably introduced with shoddy		
Ground-ivy	<i>Glechoma hederacea</i>	Native on Scilly	Suitable for grassland mix		Yellow Oat-grass	<i>Trisetum flavescens</i>	Introduced for straw plaiting on a Tean farm (1840-1880).		
Groundsel	<i>Senecio vulgaris</i>	Native on Scilly	Suitable for arable mix		Not recommended, as not occuring as natives in Scilly				
Heath Bedstraw	<i>Galium saxatile</i>	Native on Scilly	Suitable for grassland mix		Yellow rattle	<i>Rhinanthus minor</i>			
Heather (Ling)	<i>Calluna vulgaris</i>	Native on Scilly	Heathland		Kidney vetch	<i>Anthyllis vulneraria</i>			
Heath-grass	<i>Danthonia decumbens</i>	Native on Scilly	Heathland		Native, but needs reduction, not planting				
Hogweed	<i>Heracleum sphondylium</i>	Native on Scilly	Very important to insects		Bracken	<i>Pteridium aquilinum</i>	Native on Scilly		
Hop Trefoil	<i>Trifolium campestre</i>	Native on Scilly	Suitable for grassland mix		Barren Brome	<i>Bromus sterilis</i>	Native on Scilly		
Lady's Bedstraw	<i>Galium verum</i>	Native on Scilly	Suitable for grassland mix		Bramble	<i>Rubus fruticosus</i>	Native on Scilly	At least 23 types on Scilly	
Lesser Trefoil	<i>Trifolium dubium</i>	Native on Scilly	Suitable for grassland mix		Gorse	<i>Ulex europaeus</i>	Native on Scilly		
Navelwort	<i>Umbilicus rupestris</i>	Native on Scilly	On Scilly, on walls		Rushes, unlikley to plant				
Oxeye Daisy	<i>Leucanthemum vulgare</i>	Native on Scilly	Suitable for grassland mix		Hard Rush	<i>Juncus inflexus</i>	Native on Scilly		
Parsley-piert	<i>Aphanes arvensis</i>	Native on Scilly	Suitable for arable mix		Jointed Rush	<i>Juncus articulatus</i>	Native on Scilly	On Scilly, damp grassland	
Perennial Rye-grass	<i>Lolium perenne</i>	Native on Scilly	Suitable for grassland mix		Soft-rush	<i>Juncus effusus</i>	Native on Scilly	Common in Scilly grassland
